

2019 PROPOSED RULE CHANGES

DECEMBER 8, 2018

HOT FARM

Meeting: 12:30 – 1:15

- Vote for Board member and tech officials.
- Pay increase because I feel we put on a show worthy of a bigger payout. Dustin Daane
- Get rid of 10,000 lb non-cut tire rule. Dustin Daane
- Open RPMs. Josh Hayes
- Pay out change. Josh Hayes
- RPM: Raise RPM Limit to 6466 Max RPM. Jordan Lashua
- Change limit on injection pump. Jordan Lashua
- Check and certify both sides of turbo (intake & exhaust). Andy Becker
- Engine #8: Smooth bore inlet cover only. No slotted cover allowed. Tom Yost
- Change max engine RPM from 3000 to 3500. Tom Yost

MIXED

Meeting 1:15 – 1:30

- Vote for Board member and tech officials.

OPEN STOCK

Meeting 1:30 – 2:00

- Vote for Board member and tech officials.
- Engine #7: Fuel lines should be steel braided if mounted in between the frame or very close to exhaust. Kelly Dykstra
- Weight #3: Change current rule to allow functional components of the truck to be added to front of truck. Such as hydraulic steering pump, batteries and fuel cell. As long as components are securely mounted. Matt LaSure
- Engine #7: Pending rule approval of Weight #3, then this rule would have to be re-written to accommodate fuel cell location allowed to be mounted to front of the truck. Matt LaSure

PRO FARM

Meeting: 2:00 – 2:15

- Vote for tech officials.
- Body #2: Should read steel flywheel AND blanket, not OR. Ken Mike
- Engine #4: Drop no deck plates. There is a Ford that ran with us, they have to use a deck plate to get to 640. Ken Mike

SUPER STOCK

Meeting: 2:15 – 2:45

- Vote for Board member and tech official.
- Head Rule Change. Scott Kieckbusch

DIESEL 2.5

Meeting 2:45 – 3:00

- Vote for Board member and tech official.
- Having our class go 2.5/2.6 like all other clubs in the state to keep out member numbers strong. Ty Davies & Zach Perzinski

SUPER FARM

Meeting: 3:00 – 3:15

- Vote for Board member and tech officials.

MOD 4X4

Meeting: 3:15 – 3:30

- Vote for Board member and tech officials.

GENERAL

Meeting: 3:30 – 5:30

- Secretary / Treasurer up for election.
- General Rule #9: If you own 2 or more pulling vehicles in one class and are pulling both vehicles, they should be spaced far enough apart so the puller has enough time to pull the second vehicle without interfering with the 3-minute time limit. Kelly Dykstra
- General Rule #11: I think 1st vehicle pulling at the beginning of the class and 2nd vehicle should be pulled at the end so the driver has enough time. Kelly Dykstra
- Points needs to go back to a normal points fund. Andy Keyes
