Mixed

Meeting 1:00 – 1:15

- Vote on class rep and tech official

Open Stock

Meeting 1:15 – 1:45

- Have two certified trucks weigh in before start of pulling season – (Vote on which trucks today) – The certified trucks will cross the scale at each pull first & that registered number is the scale number for each truck to weigh after. All trucks will weigh rest of season the same. The scale number is only a reference number should the scale be off.
- Vote on class rep and tech officials

Super Stock

Meeting 1:45 – 2:00

- Allow “C” head in Fords. You can use in Badger & N.E.W. Motorsports, why can’t we run? Then we’ll get more trucks.
- Vote on class rep and tech officials

Hot Farm

Meeting 2:00 – 2:30

- Review teching procedure
- Discuss 3000 RPM w/max spike 3100 on box
