

## **SPRING 2022 NEWSLETTER**

Winter is coming to an end and spring is right around the corner. Hope this finds you all doing well, healthy and ready for another great pulling season.

We will be having a spring get together in March. Please see insert for details. Membership will also be accepted that night.

This year we are going with wristbands for pit passes. These will be handed out along with rule book when membership is paid. Each paid member will receive 3 pit passes.

Also included is a sponsorship form. We ask that each paid member please try to get at least one sponsorship. This money will be used for points payout at the end of the year.

A tentative schedule is included. This will be updated as contracts come in on the website and on Facebook page.

Diana is asking that everyone that has an email and checks it regularly to please include it on membership form. She would like to go to emailing information to the members rather than mailing due to cost of stamps and delay in mail delivery.

We are in desperate need of announcers and flaggers at several of the pulls. This is a paid position. If anyone is interested, please contact Diana via email [pimotorsports@outlook.com](mailto:pimotorsports@outlook.com).

We are excited to get our pulling family back together very soon!! See you on March 5<sup>th</sup> or on the track!!
